Welcome to The Senate Suites

Since we opened our doors September 19th 1991, we have been the finest facility nestled within the downtown Topeka Business District. Located one block from the Kansas Capitol Building and Kansas Judicial Center. Eight blocks north of the Expo Center and six blocks from Interstate Highway 70 (I-70).

Our enchanting hotel was built in the late 1920's as a prestigious apartment complex. The outer structure is of Victorian brick architecture, complete with private balconies. Interior hallways still exhibit the original stucco walls, ornate wood moldings and arched doorways. All of our suites are comfortable, yet practical and decorated individually to welcome you to "Your Home Away From Home". We feel "The Senate" has captured the charm and nostalgia of a bygone era.
